

SALEM COUNTY CHRISTIAN ACADEMY

ATHLETIC DEPARTMENT

Athletic Physical Deferment Form

To ensure the safety and well-being of each and every athlete, SCC Academy requires each athlete to have an athletic physical before they are allowed to compete in athletic competition. This policy is in place to protect both the athlete and the Academy.

Understanding the difficulties which can arise when trying to schedule a physical for your son or daughter, we have created this Athletic Physical Deferment Form. If you have confirmed a scheduled appointment to have an athletic physical completed prior to the end of the first month of their season (Fall – September, Winter – December, Spring – April) please sign and return this form to the Athletic Director.

If your child does not have an athletic physical on file by the end of the first month of their season, they will not be permitted to participate in any athletic competition until they have obtained one. Each member of the team is required to attend the scheduled practices, unless illness or otherwise arranged in advance with the coach, even if they are not permitted to participate on the floor/field.

Should you have any questions, please contact your child's coach, the Athletic Director or the school nurse.
